2. Items prepared by the National Institute of Population and Social Security Research are estimations based on the Regional tax allocation system commentary unit cost edited by the Committee to Study Regional Tax Allocation Systems.

## 2-2 Social security schemes contained in Social Expenditure <sup>1</sup>

| Category | OECD Definition   | Examples in Japan   |
|----------|---|---|
| Old age  | <p>Old-age comprises all cash expenditures (including lump sum payments) on old-age pensions. Old age cash benefits provide an income for persons retired from the labour market or guarantee incomes when a person has reached a 'standard' pensionable age or fulfilled the necessary contributory requirements. This category also includes early retirement pensions: pensions paid before the beneficiary has reached the standard' pensionable age relevant to the programme.</p> <p>Excluded are programmes concerning early retirement for labour market reasons which are classified under "Unemployment." Old age also includes social expenditure on services for the elderly people, services such as day care and rehabilitation services, home-help services and other benefits in kind. It also includes expenditure on the provision of residential care in an institution.</p> | <ul style="list-style-type: none"> <li>• Long-term Care Insurance: Old age care services, Old age care prevention services, etc.</li> <li>• Employees' Pension Insurance: Old age pension, etc.</li> <li>• Employees' Pension Funds: Pension benefits, etc.</li> <li>• Coal Mining Pension Fund: Pension benefits, etc.</li> <li>• National Pension: Old age pension, etc.</li> <li>• National Pension Fund: Pension benefits, etc.</li> <li>• Farmers' Pension Fund: Retirement pension benefits, etc.</li> <li>• Agricultural, Forestry and Fishery Organization, Employees' Mutual Aid Association: Retirement pension, etc.</li> <li>• Mutual Aid Association of Private School Personnel: Retirement mutual aid pension, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Retirement benefits, etc.</li> <li>• Existing Associations, etc.: Retirement benefits, etc.</li> <li>• Local Government Employees' Mutual Aid Association: Retirement pensions, etc.</li> <li>• Yahata Mutual Aid Association, etc.: Retirement benefits, etc.</li> <li>• National Public Employees' Pensions: Pension and Gratuity benefits</li> <li>• Local Public Employees' Pensions: Pension and Gratuity benefits</li> <li>• Public Health: Measures for atomic bomb survivors, etc.</li> <li>• Public Assistance: Long-term care assistance, etc.</li> <li>• Social Welfare: Promotion of the daily life support for the elderly, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Public care home for Elderly, etc.</li> <li>• Small-and-medium Size Enterprise Retirement Allowance Mutual Aid System, etc.: Retirement benefits, etc.</li> <li>• Mutual Aid System for the Retirement Allowance for the Staff of Social Welfare Institutions etc.: Retirement benefits</li> </ul> |

| Category  | OECD Definition  | Examples in Japan  |
|-----------|--|--|
| Survivors | Survivors comprises social expenditure programmes in the public sphere which provide the spouse or dependent of a deceased person with a benefit (either in cash or in kind). Allowances and supplements for dependent children of the recipient of a survivors' benefit are also recorded here. | <ul style="list-style-type: none"> <li>• Health Insurance Managed by the Japan Health Insurance Association: Funeral service fees, etc.</li> <li>• Society-managed Health Insurance: Funeral service fees, etc.</li> <li>• National Health Insurance: Funeral service fees</li> <li>• Medical Care System for the Elderly in the Latter Stage of Life: Funeral service fees</li> <li>• Employees' Pension Insurance: Survivors' pension benefits</li> <li>• National Pension: Survivors' basic pension, etc.</li> <li>• Farmers' Pension Fund: Lump sum payments for survivors</li> <li>• Seamen's Insurance: Funeral service fees, etc.</li> <li>• Agricultural, Forestry and Fishery Organization, Employees' Mutual Aid Association: Survivors' pension benefits, etc.</li> <li>• Mutual Aid Association of Private School Personnel: Survivors' mutual aid pension, etc.</li> <li>• Workmen's Accident Compensation Insurance: Funeral service fee, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Survivors' pension benefits, Funeral service fees, etc.</li> <li>• Existing Associations, etc.: Survivors' pension benefits</li> <li>• Local Government Employees' Mutual Aid Association: Survivors' pensions, Funeral service fees, etc.</li> <li>• Yahata Mutual Aid Association, etc.: Survivors' benefits</li> <li>• Government Employees' Accident Compensation, etc.: Funeral compensation</li> <li>• Local Government Employees' Accident Compensation: Funeral compensation</li> <li>• Public Corporation Staffs' Accident Compensation: Funeral compensation</li> <li>• Public Health: Expenses for infectious disease control, etc.</li> <li>• Public Assistance: Funeral assistance</li> <li>• Aid for War Victims: Survivors' pension benefits, Funeral service fees, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Support for war-bereaved families</li> <li>• Relief System for Sufferers from Adverse Drug Reactions: Survivors' pension benefits, etc.</li> <li>• Relief System for Sufferers from Diseases Infected from Biological Products: Survivors' pension benefits, Funeral service fee, etc.</li> <li>• Mutual Aid System for the Retirement Allowance for the Staff of Social Welfare Institutions etc.: Condolence payments, etc.</li> <li>• Pollution-related Health Damage Compensation System: Survivors' compensation, etc.</li> <li>• Asbestos Health Damage Relief System: Special survivor condolence payments, etc.</li> <li>• Japan Sport Council Mutual Aid Benefit: Consolation payments for death, etc.</li> <li>• Benefit System for Crime Victims: Survivors' pension benefits</li> </ul> |

| Category                           | OECD Definition  | Examples in Japan   |
|------------------------------------|--|---|
| <p>Incapacity-related benefits</p> | <p>Disability cash benefits comprise of cash payments on account of complete or partial inability to participate gainfully in the labour market due to disability. The disability may be congenital, or the result of an accident or illness during the victim's lifetime.</p> <p>Spending on Occupational injury and disease records all cash payments such as paid sick leave, special allowances and disability related payments such as pensions, if they are related to prescribe occupational injuries and diseases. Sickness cash benefits related to loss of earning because of the temporary inability to work due to illness are also recorded. This excludes paid leave related to sickness or injury of a dependent child which is recorded under family cash benefits. All expenditure regarding the public provision of health care is recorded under health. Social expenditure on services for the disabled people encompasses services such as day care and rehabilitation services, home-help services and other benefits in kind.</p> | <ul style="list-style-type: none"> <li>• Health Insurance Managed by the Japan Health Insurance Association: Employee sickness payments</li> <li>• Society-managed Health Insurance: Employee sickness payments, etc.</li> <li>• Employees' Pension Insurance: Disability pension benefits, etc.</li> <li>• National Pension: Disability basic pension, etc.</li> <li>• Seamen's Insurance: Disability pension benefits, etc.</li> <li>• Agricultural, Forestry and Fishery Organization, Employees' Mutual Aid Association: Disability pension benefits, etc.</li> <li>• Mutual Aid Association of Private School Personnel: Disability mutual aid pension benefits, etc.</li> <li>• Workmen's Accident Compensation Insurance: Disability pension benefits, Survivors' pension benefits, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Disability pension benefits, etc.</li> <li>• Existing Associations, etc.: Disability pension benefits, etc.</li> <li>• Local Government Employees' Mutual Aid Association: Disability pension benefits, etc.</li> <li>• Yahata Mutual Aid Association, etc.: Disability pension benefits, etc.</li> <li>• Government Employees' Accident Compensation, etc.: Disability pension benefits, Survivors' pension benefits, Home help service, etc.</li> <li>• Local Government Employees' Accident Compensation: Disability pension benefits, Survivors' pension benefits, Rehabilitation, etc.</li> <li>• Public Corporation Staffs' Accident Compensation: Disability pension benefits, Survivors' pension benefits, etc.</li> <li>• Public Health: Expenses for infectious disease control, Expenses for measures for the atomic bomb exposed, etc.</li> <li>• Social Welfare: Expenses for health and welfare for persons with disabilities, etc.</li> <li>• Aid for War Victims: Medical care benefits, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Public facility for people with disabilities, etc.</li> <li>• Relief System for Sufferers from Adverse Drug Reactions: Disability pension, etc.</li> <li>• Relief System for Sufferers from Diseases Infected from Biological Products: Medical allowance, etc.</li> <li>• Mutual Aid System for the Retirement Allowance for the Staff of Social Welfare Institutions etc.: Disability pension benefits, etc.</li> <li>• Pollution-related Health Damage Compensation System: Disability benefits, Rehabilitation, etc.</li> <li>• Asbestos Health Damage Relief System: Medical care benefits</li> <li>• Japan Sport Council Mutual Aid Benefit: Consolation payments for disability, etc.</li> <li>• Support for Those Suffering from Residual Disability from Automobile Accidents: Care expenses, etc.</li> <li>• Benefit System for Crime Victims: Disability benefits, etc.</li> </ul> |

| Category | OECD Definition  | Examples in Japan  |
|----------|--|--|
| Health   | This category includes benefits in kind for medical care spent for treatment and does not include sickness and injury allowance. | <ul style="list-style-type: none"> <li>• Health Insurance Managed by the Japan Health Insurance Association: Medical benefits etc., Administrative costs, etc.</li> <li>• Society-managed Health Insurance: Medical benefits etc., Administrative costs, etc.</li> <li>• National Health Insurance: Medical benefits etc., Administrative costs, etc.</li> <li>• Medical Care System for the Elderly in the Latter Stage of Life: Medical benefit, Administrative costs, etc.</li> <li>• Long-term Care Insurance: Administrative costs</li> <li>• Seamen's Insurance: Medical benefits etc., Administrative costs, etc.</li> <li>• Mutual Aid Association of Private School Personnel: Medical benefits etc., Administrative costs, etc.</li> <li>• Workmen's Accident Compensation Insurance: Medical benefits etc., Administrative costs, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Medical benefits etc., Administrative costs, etc.</li> <li>• Local Government Employees' Mutual Aid Association: Medical benefits etc., Administrative costs, etc.</li> <li>• Yahata Mutual Aid Association, etc.: Medical benefit</li> <li>• Government Employees' Accident Compensation, etc.: Medical benefit, etc.</li> <li>• Local Government Employees' Accident Compensation: Medical benefit, etc.</li> <li>• Public Corporation Staffs' Accident Compensation: Medical benefit</li> <li>• Public Health: Expenses for measures ensuring the medical care delivery system, Expenses for infectious disease control, Expenses for health promotion measures, etc.</li> <li>• Public Assistance: Medical aid</li> <li>• Social Welfare: Expenses for health and welfare for persons with disabilities, Expenses for preventive measures against child abuse, etc.</li> <li>• Aid for War Victims: Medical benefit</li> <li>• Health: Patient transportation, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Local government expenditure on medical care exclusively financed by local revenue, etc.</li> <li>• Relief System for Sufferers from Adverse Drug Reactions: Medical benefit</li> <li>• Relief System for Sufferers from Diseases Infected from Biological Products: Medical benefit</li> <li>• Pollution-related Health Damage Compensation System: Medical benefit</li> <li>• Asbestos Health Damage Relief System: Medical benefits</li> <li>• Japan Sport Council Mutual Aid Benefit: Medical benefit</li> </ul> |

| Category                        | OECD Definition  | Examples in Japan   |
|---------------------------------|--|---|
| Family                          | <p>Family includes expenditure which supports families (i.e. excluding one-person households). This expenditure is often related to the costs associated with raising children or with the support of other dependents. Expenditure related to maternity and parental leave is grouped under the family cash benefits sub-category.</p>  | <ul style="list-style-type: none"> <li>• Health Insurance Managed by the Japan Health Insurance Association: Lump sum payments for maternity and parental leave</li> <li>• Society-managed Health Insurance: Lump sum payments for maternity leave, etc.</li> <li>• Seamen's Insurance: Lump sum payments for maternity leave</li> <li>• Mutual Aid Association of Private School Personnel: Maternity allowance</li> <li>• Employment Insurance: Parental leave benefits, Care leave benefits, etc.</li> <li>• Workmen's Accident Compensation Insurance: Expenses for work-life balance promotion</li> <li>• Child Allowance (Jido Teate) : Cash benefits, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Parental leave benefits, Care leave benefits, etc.</li> <li>• Local Government Employees' Mutual Aid Association: Parental leave benefits, Care leave benefits, etc.</li> <li>• Public Health: Expenses for infectious disease control</li> <li>• Public Assistance: Maternity assistance, Education assistance</li> <li>• Social Welfare: Expenses for supporting children and child rearing, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Public nursery schools, etc.</li> <li>• Relief System for Sufferers from Adverse Drug Reactions: Pension benefits for children with disabilities</li> <li>• School Expense Assistance Programme and Early Childhood Education: Expenses for the primary and secondary education etc.</li> </ul> |
| Active labour market programmes | <p>Active labour market programmes - contains all social expenditure (other than education) which is aimed at the improvement of the beneficiaries' prospect of finding gainful employment or to otherwise increase their earnings capacity. This category includes spending on public employment services and administration, labour market training, special programmes for youth when in transition from school to work, labour market programmes to provide or promote employment for unemployed and other persons (excluding young and disabled persons) and special programmes for the disabled.</p> | <ul style="list-style-type: none"> <li>• Employment Insurance: Expenses for carrying out employment placement businesses etc., Education training benefits, Expenses for vocational skills development for persons with disabilities, etc.</li> <li>• Employment Measures: Expenses for vocational skills development and improvement, Employment stabilization and promotion for older persons, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Employment measures for the elderly, etc.</li> <li>• Japan Organization for Employment of the Elderly, Persons with Disabilities and Job Seekers: Allowance for employing persons with disabilities, etc.</li> </ul>   |

| Category                  | OECD Definition  | Examples in Japan  |
|---------------------------|--|--|
| Unemployment              | This category includes all cash expenditure to people compensating for unemployment. This includes redundancy payments out of public resources as well as pensions to beneficiaries before they reach the 'standard' pensionable age if these payments are made because they are out of work or otherwise for reasons of labour market policy.   | <ul style="list-style-type: none"> <li>• Employment Insurance<sup>2</sup>: Job applicants' benefits, Job applicants' benefits for the elderly, etc.</li> <li>• Workmen's Accident Compensation Insurance: Compensation for unpaid wages</li> <li>• Employment Measures: Employment stabilization and promotion of older persons, etc.</li> </ul>   |
| Housing                   | <p>Rent subsidies and other benefits to the individual to help with housing costs. This includes direct public subsidies to tenants earmarked for support with the cost of housing.</p> <p>SOCX also reports direct housing provision to the elderly, disabled, low income families, but excludes mortgage relief (fiscal), (capital-) subsidies towards the construction of housing support or implicit subsidies.</p> <p>By convention, all housing benefits are classified as in-kind benefit as they are earmarked expenditures.</p> | <ul style="list-style-type: none"> <li>• Public Assistance: Housing assistance</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Stable housing for elderly household</li> <li>• Housing: Expenses for housing measures</li> </ul>  |
| Other social policy areas | This category includes social benefits which fall outside the scope of the categories listed above. Specifically, these are public assistance benefits and any benefits in kind, which cannot be categorized into other categories.  | <ul style="list-style-type: none"> <li>• National Health Insurance: Miscellaneous benefits</li> <li>• Mutual Aid Association of Private School Personnel: Accident benefits, etc.</li> <li>• National and Related Public Service Mutual Aid Association: Accident benefits, etc.</li> <li>• Local Government Employees' Mutual Aid Association: Accident benefits</li> <li>• Public Health: Assistance for residents affected by the nuclear Incidents, etc.</li> <li>• Public Assistance: Livelihood assistance, Occupational assistance</li> <li>• Social Welfare: Expenses for long-term care insurance system management promotion, Disaster policy expenses, etc.</li> <li>• Employment Measures: Special temporary grant for creating immediate employment opportunities</li> <li>• Aid for War Victims: Assistance for repatriates, etc.</li> <li>• Local Government Expenditure Exclusively Financed by Local Revenue: Welfare office, etc.</li> <li>• Japan Sport Council Mutual Aid Benefit: Special condolence money for victims of the great east Japan earthquake</li> <li>• Benefit System for Crime Victims: Special benefits for crime victims</li> <li>• Disaster Victims Livelihood Recovery Support System: Expenses for support funds</li> </ul> |

Notes:

1. Expenditure of some project's items are not necessarily added on one policy area but separately added on two or more policy areas.
2. Maternity and parental leave benefits under the employment insurance are categorized as "Family". Training subsidies are categorized as "Active labour market programmes".
